2010 Chinese New Year Celebration*

You are cordially invited to join us to celebrate the beginning of the Year of Tiger. Legend has it that the inception of the Chinese zodiac signs began when the Buddha beckoned all the animals to bid him farewell before his departure from the Earth. Only twelve arrived at his summoning, and so those were given a place of honor in a year being named after each animal. Tiger symbolizes courage, strength, and bravery. It is a good sign that our nation's economy may gain strength this year. We wish you happy, healthy, and lucky in the Year of Tiger.
